

Basic Searching on EBSCO Discovery Service (EDS)

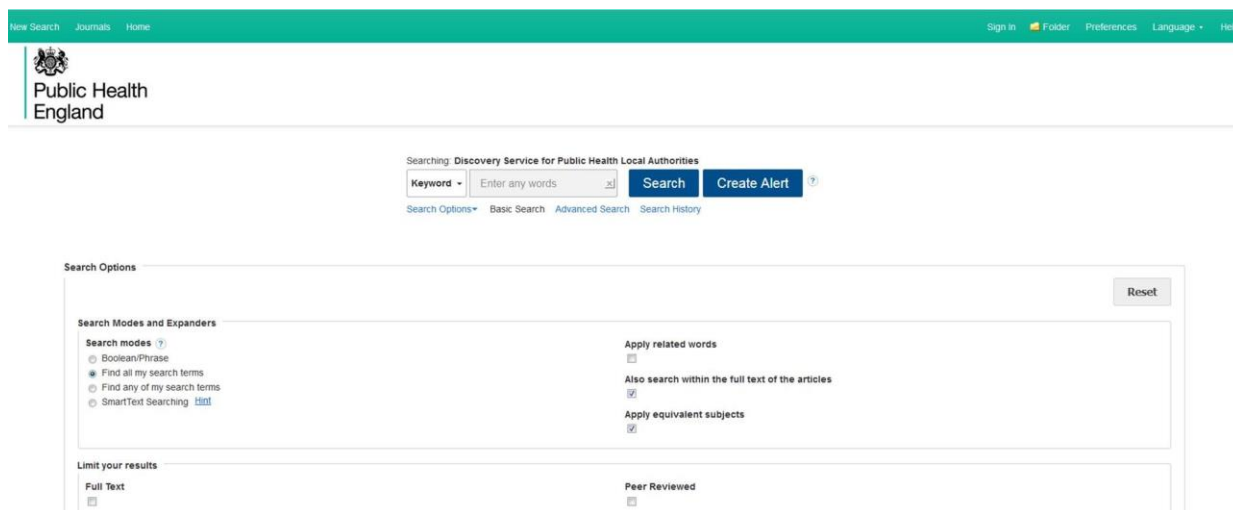

The Basic Search Screen lets you create a search with limiters, expanders, and Boolean operators. Because of the customisation options available with *EBSCO Discovery Service*, your interface options may vary.

To search EBSCO Discovery Service:

1. On the Basic Search Screen, enter your search terms in the **Find** field.

2. If desired, select to restrict your results to a **Title** search or an **Author** search using the drop-down menu beside the **Find** field. (**Keyword** is the default.)
3. If you want to use any of the optional Limiters or Expanders, click the **Search Options** link.

You can use a specific [search mode](#), such as "Find all of my search terms," or "SmartText Searching"; apply **Limiters** such as Full Text or Publication type; or use search options that expand your search, such as "Apply related words."

To close the **Search Options**, click the link again.

4. Click the Search button. The Result List displays.

The screenshot shows the EBSCO Discovery Service interface. At the top, there's a navigation bar with 'New Search', 'Journals', and 'Home'. A search bar contains the text 'obesity in children' and a 'Search' button. Below the search bar, there are options for 'Basic Search', 'Advanced Search', and 'Search History'. The main area displays search results for 'obesity in children', showing two articles. The first article is 'Obesity and Overweight in American Indian and Alaska Native Children, 2006-2015' by Bullock, Ann, Shelf, Karen, Moore, Kelly, Manson, Spero. The second article is 'Maternal Characteristics and Incidence of Overweight/Obesity in Children: A 13-Year Follow-up Study in an Eastern Mediterranean Population' by Jalaal-Farahani, Sara, Amiri, Parisa, Abbasi, Behrooz, Karimi, Mehrooz, Cheraghi, Leila, Daneshpour, Maryam, Azizi, Fereidoun. The interface includes a 'Refine Results' sidebar on the left with options like 'Find all my search terms', 'Expanders', and 'Limit To'. The top right of the results area shows 'Search Results: 1 - 10 of 524,382' and 'Relevance' sorting.

5. Click on the title to view the article details screen, or click the full-text link to view the complete article. Hover your cursor over the preview

icon to view article details, or click the folder

icon to save the article to your personal folder.

Notes:
